

Good afternoon, Don Estridge Families:

Before reading this email, please note:

The school is **closed** today, Friday, August 14th. If you have questions/concerns after reading my letter, please contact our front office on Monday at 561-989-7800. I will be checking my email to respond to time sensitive questions from you.

Due to a delay in the delivery of our science consumable textbooks for this school year, **our Student Item Collection/Distribution dates have changed to the week of August 24th.** Please be advised that I did not want to ask parents to come to the school twice to pick up materials for this year.

I am **attaching our Student Item Collection/Distribution Plan** with the **revised dates** for our families.

Please allow me to take this opportunity to address some frequently asked questions we have received about distribution.

In addition to updated deployment information, I would like to remind parents that elective course descriptions can be found under the district & school announcements section of the S.I.S. portal home page. Also, please remember that if you need to submit a request for a schedule correction you may do so on the schedule correction form that is also located under district & school announcements on the S.I.S. portal home page. Staff is working through the requests listed in this form. **Core content class corrections are prioritized** over requests for elective changes.

***Please remember to review the attached distribution plan, prior to coming to the school the week of August 24th.**

Finally, we will be releasing How To Train Your Dragon for Distance Learning 2.0 soon. Stay tuned! Go Dragons!

Warmly,
