

# School Supplies

Here is a list of suggested, “generic” school supplies you might wish to purchase for your child prior to the start of the school year. This list is a general list: **some teachers will require specialized or additional items specific to their courses.** They will provide your student with that list, if applicable, the first few days of school.

The first part of this generic list contains academic supplies your child will use in the course of his or her daily work. The second is a teacher wish list of other items, non-academic, that will enhance the classroom.

## Academic Supplies:

- Backpack
- Notebook paper
- #2 pencils
- Set of personal ear buds for use in technology classes or with any computer on campus (for hygiene purposes, available in any dollar store)

## Non-Academic Wish List Supplies:

- Paper towels (roll type)
- Tissues
- Dry erase markers
- Hand sanitizer
- Ziploc type baggies – quart (Science)

**No penalty of any type will be imposed against any student based upon not having any items on this list. No student shall be denied the right to participate in any activity or lesson for not having any items on this list.**
